Wedding gift ideas

It can be hard to think of presents to buy the bride and groom that are both useful and beautiful (let's face it, a dustbin isn't the most exciting thing to receive). So we've come up with a selection of homewares that newlyweds will genuinely love.

Double up

For couples who don't have lots of space, this is the perfect 2-in-1 combo. A bread bin with a chopping board for a lid, it's sleek and practical.

Melamine bread bin in white, £42, [Joseph Joseph](#).
