◀ **KEEP YOUR KITCHEN LOOKING ITS BEST**

Choose specialist kitchen paint, which is around ten times tougher than conventional paint. As it's designed to resist grease and stains, as well as moisture, steam and condensation, it will keep your look fresh for longer

▼ **USE TASK LIGHTING**

Planning the right lighting scheme is essential. Create a safe kitchen environment around food preparation areas with lights built into units, or buy strip lighting and position where needed

LED under cabinet strip lighting, from £32 for a 330mm strip, Sensio

# Clever tricks for a hardworking kitchen

**W**hatever its size, your kitchen needs to be practical and filled with essentials to make your life easier. Create a space that works for you with stacks of storage, clever gadgets and multi-functional appliances.

Rinse&Chop, £15, Joseph Joseph

▲ **CHOOSE CLEVER SPACE-SAVING GADGETS**

This chopping board not only doubles up as a colander, but also folds into a chute for tipping food straight into a pan

◀ **CHOOSE A SMART ALTERNATIVE TO WALL TILES**

It's easy to create the effect of a neatly tiled surface at a fraction of the cost of ceramic tiles with this wallpaper. It's perfect for a quick weekend revamp, and specially designed for use in the kitchen as it is highly durable, splash-resistant and washable

Concave wallpaper, £20 for a 10m roll; Contour at Graham and Brown
