## Fine tea

Luxury tea brand TWG Tea is now available in the UK exclusively at Harrods, which is fitting, given that the store's founder, Charles Henry Harrod, was once a tea merchant himself. The Haute Couture range features selected single estate teas and blends, available in loose leaf packets and hand-sewn cotton tea bags. Find out more at [twgtea.com](http://twgtea.com) or contact Harrods, 020 7730 1234, [harrods.com](http://harrods.com). ▶
