Time to banish the dull shades of winter – head to John Lewis's haberdashery department and revamp your kitchen with some bright spring colours. We love Jane Churchill's Fairlands leaf print embroidered fabric, also available in a blue/green mix.

WEB WATCH

Love unusual furniture or quirky accessories? Take a look at Rose & Grey's website, which is packed with great gift ideas and vintage leather upholstery. If you're after an original Valentine's gift, we suggest investing in the 'Life Would Be Rubbish Without You' print by Bianca Hall, at £40. Bianca's husband had the same words engraved on his wedding ring – how romantic!

Set of six Kashmiri beakers, £30, Rose & Grey, 0560 311 3405, roseandgrey.co.uk.

► Easy squeezey

With Shrove Tuesday on the 16th, it's worth heading to Lakeland to arm yourself with some of the best crêpe-making equipment available. Our favourite is this brilliant citrus reamer. It's a clever hand-held design that helps you juice your lemons quickly, while catching all the pips in its strainer. Joseph Joseph reamer and catcher, £7.99. Lakeland, 01539 488100, lakeland.co.uk.
